BLEACHING POWDER

PROTEIN & KERATIN

DUST FREE BLEACHING POWDER

• BLUE • WHITE • SILVER

Balanced bleaching powder to create a smooth, lump-free cream in moments. Delicate because it lets hair adapt gradually to lightening during treatment. It doesn't add volume, drip or leave an ammonia smell.

- Up to 8 shades of lightening
- Compact bleaching powder
- Delicate, creamy paste
- Low ammonia smell
- Active conditioning ingredients

BLEACHING & WHITENING

PROTEIN & KERATIN

BLEACHING & WHITENING

ANGY Bleaching & Whitening System makes skin look fairer, radiant, and healthy just in 15 minutes. It lightens facial and body dark skin color matching the natural skin tone. Due to released oxygen, this bleach has a unique gas flushing action which cleanses the skin and unclogs clogged pores. The extra Whitening and Hydrating Cream relaxes the skin making the bleaching operation a pleasurable experience.
